SCS Fall Meeting 2026

We invite you to attend the SCS Fall Meeting 2026, one of the largest annual research conferences held in Switzerland. For decades, the SCS Fall Meeting has been a great platform for senior scientists to showcase their current research results as well as for young chemists to present their research, often for the first time ever at a major conference.

Program Highlights of day 1, Aug 27, 2026

- Helvetica opening session
- Three parallel sessions for junior PI presentations
- Lectures of our two SCS Honorary Members 2026
- Senior Industrial Science Award lecture 2026
- Commercial exhibition and competition for participants
- SCS Summer Party and 1st part of the poster session

Program Highlights of the day 2, Aug 28, 2026

- Plenary sessions with lectures of SCS Award winners 2026
- Nine parallel sessions with invited and sponsored lectures as well as PhD short talks
- 2nd part of the poster session during the Lunch Break
- Best Oral and Best Poster Presentation Award ceremony
- Commercial exhibition and exhibitor quiz
- General Assembly of the youngSCS

Topics of the Parallel Sessions

- Analytical Sciences [AS]
- Catalysis Science & Engineering [CE]
- Chemistry and the Environment [EV]
- Computational Chemistry [CC]
- Inorganic & Coordination Chemistry [IC]
- Materials Chemistry [Mat]
- Medicinal Chemistry & Chemical Biology [MC]
- Organic Chemistry [OC]
- Physical Chemistry [PC]

The best student short talks and posters in each session will be awarded. The Program is supported by the Metrohm Foundation it's among the most highly renumerated in their category.

Conference Venue

University of Bern, vonRoll Area
Fabrikstrasse 6, B6: lectures
Fabrikstrasse 8, B8: poster sessions, commercial exhibition

Program Overview

Registration & Conference Fees

The registration fees include access to conference incl. coffee breaks and lunch buffet.

- free of charge for SCS Members
- CHF 250.- for Non-member presenters
- CHF 100.- for Non-members without a presentation

If you like to become a SCS member, please register on our website via the following link: *https://scg.ch/membership*

Deadlines

31.05.2026 Deadline for abstracts (posters and short talks)
23.06.2026 Notification of acceptance
07.07.2026 Publication of full program on the website
12.08.2026 Deadline for registration

Present your research findings and actively participate in the event.

Take the opportunity to participate actively in the event by giving a short talk or presenting a poster:
Apply for a short talk (15min) in one of the nine parallel sessions or a poster presentation after the registration by submitting your abstract.
If you like to contribute one of the nine 20min lectures to the Junior PI sessions (max 6 years after your PhD) please send your abstract quickly and easily as a PDF or Word file to info@scg.ch. Based on the submitted abstracts we will put together the topical sessions.

Chairs local Organizers

Prof. Eva Hevia, University of Bern
Prof. Dmitry Katayev, University of Bern
Gabriela Frei, University of Bern
